

Zanimljivi murali koji se nalaze na različitim lokacijama Vodnjana, često skrivenim uličicama i trgovima, nastali su za vrijeme trajanja Boombarstick festivala i Street Art festivala. Na festivalima su sudjelovali domaći i inozemni „street art“ umjetnici i glazbenici, te su kroz svoj boravak oslikane fasade vodnjanskih kuća. Prošetajte Vodnjanom i pokušajte ih pronaći.

Gli interessanti murali, che si trovano in diversi punti della città (spesso vicoli nascosti o piazze) sono stati realizzati durante il Boombarstick Festival e lo Street Art Festival. Ai festivali hanno partecipato artisti e musicisti di strada nazionali ed internazionali e durante il loro soggiorno sono state dipinte le facciate di numerose case dignanesi. Passeggiate per Dignano e cercate di trovarle.

You can find interesting murals located in different parts of the town of Vodnjan, which are often hidden in alleyways and squares. These were created during the Boombarstick and Street Art Festivals. Both festivals are attended by local and international musicians and „street art“ artists, who have painted the facades of many Vodnjan buildings. Take a stroll through Vodnjan and try to find them.

An zahlreichen Stellen verstreut in der ganzen Stadt Vodnjan, oft versteckt in den Gassen oder auf den Plätzen findet man an sämtlichen Hausfassaden interessante Wandmalereien, welche zur Zeit des „Boombarstick-Festivals“ und Straßenkunst-Festivals entstanden sind. An beiden Festivals nahmen sowohl einheimische wie auch internationale Straßen-Maler und Musiker teil und bemalten während ihres Aufenthaltes die Fassaden der Häuser Vodnjans. Spazieren Sie durch Vodnjan un versuchen Sie, sie zu finden.
